At 614-429-5703 or to

jolds@schoedinger.com

When working with families in the continuum of care and aftercare services, it is helpful to understand how each of the different levels of care work together and the criteria for referrals and admissions.

At the completion of this program, participants will be able to:

- ◇ Identify the needs and criteria for home care services and be able to refer for the appropriate level of care
- ◇ Demonstrate competence in the fundamentals and essentials of hospice services that are available to patients and their families
- ◇ Describe the importance of advance funeral planning and the options available to families

Schoedinger Funeral and Cremation Service is an approved provider of continuing education by the State of Ohio Counselor, Social Worker, Marriage and Family Therapist Board, approval #RCS001301, our commission expires in March 2019. This program provides 2.0 continuing education contact hours. The Ohio Board of Nursing allows nurses to claim CE credits from a CE activity that has been approved by an agency that regulates a health care profession or discipline in Ohio.
