

“WHAT HAPPENS WHEN THERE IS NO MONEY”

CONTINUING EDUCATION

Schoedinger Funeral and Cremation Service is an approved provider of continuing education by the State of Ohio Counselor, Social Worker and Marriage and Family Therapist Board, approval number RSX011303. This program provides 1.0 continuing education contact hours. The Ohio Board of Nursing allows nurses to claim CE credits from a CE activity that has been approved by an agency that regulates a health care profession or discipline in Ohio.

It's not easy working with families whose financial resources are limited. But it can be even more challenging when families need to make funeral arrangements. This class attempts to describe what programs are available to assist families with funeral costs, as well as to dispel myths about what families can truly expect regarding disposition, responsibilities, and assistance.

This continuing education program offers 1.0 continuing education contact hours for social workers.

At the completions of this program attendees will be able to:

- Identify the criteria that families need to meet to qualify for funeral cost assistance
- Identify three resources available to families in assisting with funeral expenses
- Identify methods for having conversations with cost-sensitive families
