“ All the years of friendship we shared will never be forgotten, especially our Friday night dinners. I guess the city can repair the curb at Lonsdale and Livingston now as you move on to heaven .I'm sure there are curbs you can hit when you make your right hand turns. Love you so much and will miss all the good and bad times ,all the laughter and all the crying - you, Maxine and I have experienced a lot together It's time for you to rest knowing your family will take good care of 'max" Love you - Jackie
