“ On behalf of the Gaddis family we are saddened to hear of David's passing. Most of our interaction with David came by way of his younger brothers. But like a big brother we knew David was the "mold" and paved the way for Derrick and Darin. Unfortunately time did not allow me to see the family. Know that the Guess family is in our thoughts and prayers.

“ I am devastated by the news of David's passing. As the former Mifflin High School basketball coach, we were a part of each other's life for 4 years, 3 hours per day for 5 months each year. I can tell you that there was no finer young man than Dave. I shall always cherish the memories we made together. His great smile will forever be etched in my heart. I offer my condolences to Dave's wonderful family, and hope through their pain, they might find solace in knowing Dave is in the Kingdom of Heaven.

“ MARVIN And Lisa BOHANAN lit a candle in memory of David Guess

MARVIN and Lisa BOHANAN - May 25, 2019 at 07:02 PM

“ Numb as to your family's great loss, but blessed to have been a significant part of David's life in the early years. In the video tribute, there's a photo in the woods of a young David, Derrick, and Darin that put me in mind of a memory when Mary came to the Bohanan house to retrieve David and when I answered the door, I exclaimed "... but here is another David, and another David." Your 3 sons forever etched in our memories and our heart, from the Bo kool-aid house. Just a feeble time. We pray your strength in the Lord.

MARVIN and Lisa BOHANAN - May 25, 2019 at 07:21 PM

“ Ashlee, there are no words that would put any of this in perspective. David was a wonderful individual and he had that contagious smile that lit up a room. He will be missed by all but God has him now and he is at rest. Always praying for you and the kids and the family. He was a special guy and loved you and his family with every fiber of his being. Think of all the good times the two of you shared. Those priceless memories can never be taken away.

“ I had many friends a few years older come by way of my brother BJ. Growing up in Walnut Creek was amazing. I'll always see David as a stand up guy! Also I'll never forget the late 90's going to Mifflin basketball games with my brother, I haven't seen an environment match the energy of the good ol days yet!

**Brian Murphy** - May 24, 2019 at 06:50 AM

“ Hi, Brian. This is Anthony Bohanan. I miss seeing you and your brother BJ. You are right, growing up in Da Creek was the best.

“ I went to Franklin with David, his father was my teacher and coach in high school and I worked with his mom briefly as a young adult...what I remember most was almost always smiling and he had a gentle spirit, which I learned later was a direct reflection of his parents. Wow... my prayers and thoughts go out to his Wife, & children, Mr. & Mrs. Guess, his brothers and friends.

“ To Mr. & Mrs. Guess,  
Thank you for delivering and raising an amazing son/brother/father. David is and always will be apart of me and my family as I felt I was apart of yours. The memories will live on forever. From the trips to the fair, the work picnic or having us over to watch wrestling or play video games. Thank you, I love you and your family so very much.  
David, Kyland, Anthony. Usually when one of those names were said, the other two names were said right after. There were very few days when all 3 of us were not together. My 1st brothers I had growing up together. There was nothing like us, and hard for anything else to come close. We have a bond that is ever lasting.  
Derrick & Darren I love the both of you as my own little brothers.  
May GOD blesses, watch over and care for David and his family.  
David I know your not gone, your just waiting for the rest of us to reunite, Love you forever.

“ My name is Talia Bohanan. David Guess was apart of the Bohanan family by means of being one of my cousin Anthony Bohanan best friends. I have known David since I was like 9 years old give or take. I would spend my summers out in Winding Hills. David has left so many memories with my family I can't even start. I want to send my deepest sympathies to David's family and all of his friends. We have truly lost a amazing brother, cousin and a friend. My heart goes out to everyone!

“ Dave was always a joy to be around. He always had a goal of making a million dollars. He was so driven. I ran into Dave, Ashley, and the kids a year or two ago at the Ohio State Fair. It was awesome to see the father he had become. It was great to see them both again after so many years. I thought back to his million dollar goal and thought two things. #1 with two kids, he'll never make that million. #2 he was already the richest man I knew because of that family! I'm heartbroken for the family he left behind but I know he's smiling at Jesus' side in Heaven.

“ Ashlee and children and all family

I am deeply sorry. No words I can say will help or make sense of it all. I know David was an amazing man! He always carried a contagious smile and had kind words to say always. My thoughts and prayers remain with the family through all of this. Please find peace when you can.....for he is at peace and would want the same for you.

“ Sending prayers to the Guess family. Dave was such a great guy!!! I have worked with him for close to 15 years but the years we spent sitting back to back were definitely the best. I pray for Ashlee and the kids everyday, no one should have to endure this type of loss. Over the past few days I have heard from a lot of current and former co-workers and the message has been the same, Dave was a great guy! Prayers to his family, Dave will be missed.
