“ Aunt Anita, Teri and family sending our prayers and love at this most difficult time of loss. Uncle Don was a wonderful man, so loving, kind and generous. I remember him staying with us at the Lake in Eldora as a child. Mom said he was like a son, he would spend his summer with us and how he loved working along side Dad. He met Aunt Anita in Eldora, her classmates still ask about that cute couple when I run into them. Even though the miles separated us through the years we always were able to stay connected and for that we are very grateful. We have all been so proud of Uncle Don and his many accomplishments, he lived a brave and noble life. Admired and loved by so many who's life's he touched. His love will live on in all of our hearts. Our sympathy and love to each of you. Deb Morlan Crosser

“ Uncle Don was an amazing man. He was so incredibly loving, humble, and generous. All the times I was able to visit with him, especially as an adult, were filled with peace and happiness. I always felt right at home with him and Aunt Anita and he was able to share memories of my Grandpa James that I had never heard before. I will miss him greatly.

“ Don was always a hard-working man who knew how to have fun while getting the job done. His family is no different. He would help anyone out of a jam and share his experience along the way. I wish his family well during this time.
