“ Dear Brady Family,
Ed will be missed. He was such a great person. Always a gentleman and so very intelligent. Len and I worked with him in the Regulatory area of AEP's business for many years. He was a man of integrity and had a great work ethic. He was also very kind and personable. He always encouraged me regarding business issues that I discussed with him. I am sure that he is with the Lord and our savior now but is looking down on his loved ones and watching over them, guiding them as he did in life. Thank you for sharing him with us at AEP. We are sorry for your loss but I am sure he is in a better place. God Bless him and his family. Sincerely, Len and Judy Assante

“ Dear Brady family,

Ed was my immediate superior in the AEP legal department for more than 20 years. He was highly supportive of me, and helpful to my career development. His advice was always respected by the top managers of the company. Ed could always be counted on by me and the rest of our group to keep us entertained with colorful stories of his New York and Navy days. I offer my sincere condolences to you on his passing.

“ Dear Brady family,
I managed executive benefits for AEP, and worked closely with Ed over the years and on his retirement. Though I too am now retired, I remember him with great fondness. It was an honor to work with Ed and become his friend. My husband Tom was an AEP communications director, and worked with Ed on corporate matters. Ed was an accomplished attorney and mentor. Please accept our deepest sympathies.
Respectfully,
Janet Holliday

“ Dear Marge and family:
I met Ed in 1983 when I began working with him in AEP's Legal Dept. Over the many years we worked together and shared offices next door to each other he was a great friend and mentor. We shared more difficult times preparing and trying cases than I even want to think about. Yet, through all those times we enjoyed each others friendship. Our sense of humor and political views were in alignment and that made working with Ed all that more enjoyable. I was a better lawyer for knowing Ed and for that I am grateful.
