“ I just heard yesterday. I am so sad to hear. Since covid hit we lost touch. I will miss her very much we would go to church and the doctors then we eat out at Bob Evans. She was a sweet friend!

“ Ann was the best neighbor ever. She always focused on other people not on herself. I remember a time when we gave her some apples from our tree and the next day she gave us the world's best apple pie. She shared so many recipes with me over the years. I loved listening to her stories. She loved her family and her friends. She will be truly missed.
Our deepest condolences to her family.
