“ I will always remember how warmly I was received at Ted and Sue's home, as a child growing up just down the street at Mary and Jack's. Ted always made me giggle and I remember his infectious smile. Kathy and Kris, Michael and I are so sorry for your loss. We love you Ted and you will be missed! -Jeri & Michael

“ The Frey's home was always warm and welcoming to Rick and I and our children. Katie and AJ especially loved the box of toys Dad Frey, as we lovingly called him, brought out for them to play with when we would visit. I remember Dad Frey creating gadgets to make things work better or for clever storage solutions as well as creating beautiful pieces for their home. He will be missed.
