“ Played in a band with Glenn (Bill and Glenn) for about 7 years back in the 70's. Lot of fond memories, including a couple record albums. My condolences to his family.

“ Glenn was a classmate of my husband and I. We were in band together, sang together in choir and he and my husband played football together. I can remember that Glenn would march with the band at half-time in his football uniform. I'm so glad that he came to our alumni reunion a couple of years ago, he had many pictures and memories to share with all of us. Sending our condolences to his family.
