“ Every morning I would see Steve and Bo walking to the path behind our homes, and every morning Bo would 'greet' the neighborhood dogs, with a bark and run along the fences. Steve was always a few steps behind with a hand raised and a Hello. Rest in Peace, Steve.

“ My vivid memories of Steve occurred on the golf course. We played golf on both OHIO and FLORIDA. Although Steve spent some times looking for lost balls (Steve has a HUGE collection of very used golf balls) but we always had fun. Another memory is when we ran the Columbus Marathon together in 1981. Steve had an “interesting “ personality but we loved him dearly, God Bless!
