

Herbert Norris Snowden III

July 15, 1952 - June 19, 2020

H N Snowden, III, age 67, of Upper Arlington, died June 19, 2020. Born in Alexandria, Virginia to the late Herbert N Snowden, Jr, and Gladys Keller Snowden. A graduate of Columbus Academy and University of North Carolina. Hank was a modest, humble, generous gentleman with a sense of humor, who loved witty exchange and teasing. He worked in finance and investment. He loved and participated in many sports, especially Track and Field, winning ACC awards and high school State Championships in long jump and sprints. He exercised daily, ran, hiked, took long walks with our beloved dogs. He played golf, humorously, not achieving as he expected; and he so enjoyed and appreciated his golf friends and trips. He was a devoted Buckeye fan of Track, Basketball and Football. Hank was a voracious reader; loved history, museum and historical sites; sporting events, horse races, enjoying nature, such as backpacking in the Grand Canyon, white water rafting and fishing trips. An independent critical thinker, Hank valued discussions with family and friends. He is survived by his wife, Lynn Gutches Snowden, and his beloved "close extended family" group since childhood; nephews Perry and Trey Wyatt, sister-in-law Jenny (Bill) Wyatt, Lynn's Aunt Nan Sohl Bradley, many cousins, and their children. Hank gave the gift of life through Lifeline of Ohio. His cremated remains will be interred with his parents at Sunset Cemetery during a private service officiated by Rev. James Long, First Community Church. Memorial contributions may be made to the educational institution or charity of your choice. Arrangements by SCHOEDINGER NORTHWEST CHAPEL. “ Lynn, I'm sorry to hear about Hank. He's undoubtedly missed. You may not remember me from either Murphy's or the vet clinic from when you were a client there years ago. I remember you from those places.

“ Dear Lynn,

Bill and I are so sad to learn of Hank's untimely death. Hank was a particular favorite of Bill's and we both have fond memories of our times together. I won't go into detail about our "disappearance" - it's been about three or four years. Bill has been at Sunrise at Dublin for about 16 months and had been in decline for some time before that. I know he would want me to express his sympathy to you, Lynn. You and Hank had a special relationship and from that you will have good memories. So sorry we have not been able to keep in touch,

Lovingly, Dottie and Bill Seibert

“ I was so terribly saddened to learn of Hank Snowden's passing. Hank was a student at The Columbus Academy when I was a student at CSG. At many functions, it was always a pleasure to see and visit with Hank, who always had something witty to say and was always the perfect gentleman. My deepest condolences to his wife, Lynn and extended family members.

“ My condolences to the family of Hank Snowden. I met Hank in 4th grade where we were setting up a carpool for students from Upper Arlington to go to Columbus Academy. The carpool lasted several years and we remained friends throughout. I joined the track team at Columbus Academy in the 9th grade where Hank was the obvious star. Again, please accept my condolences.

You were an amazing couple whose generosity and humbleness knew no bounds. I so enjoyed hearing about all of your adventures together.

“ I spent 7 years with Hank at Columbus Academy followed by attending Duke when Hank was only 10 miles down the road in Chapel Hill at UNC. Hank was once of the most humble guys I have ever known. I admired his athletic ability and competitive spirit when we played on football and basketball teams together in high school. Hank was team first and had no ego. In more recent years we played golf in Columbus Academy golf outings. Hank was always self-effacing. He will be missed by many including those from the Columbus Academy Class of 1970.
