“ Jack was instrumental in me joining both the Gahanna American Legion and VFW. I knew after chatting with Jack on my first visit. I would be welcomed and the Post would serve as a venue to interact with fellow veterans. Many friendships have been fostered there and I have Jack to thank. What a remarkable man, warm, friendly and giving.

“ Jack was dedicated to his Country and served proudly. I am proud to have known Jack through American Legion Post 797 and was a charter member. He was instrumental in helping the Post get chartered and served in many areas of the Legion, most recently Commander. A dedicated American and Veteran. God bless, Rest In Peace.

“ Jack served with my husband on Honor Guard and was a true friend to our family. Knowing I had a difficult time with my health, he always asked my husband about me and was glad to see me if I was feeling well enough to come in to the Legion/VFW Post. We will miss your hard work and your good cheer, Jack.

“ As members of the 40/8, Jack and I had good times meeting at the old Veterans Memorial Building on W. Broad Street, as well as subsequent meetings and dinners at the VFW in Gahanna. He served the 40/8 and American Legion well and will be missed.

I offer my condolences to all of the Steinhausser family.

Rest well my friend and comrade!
