“ I am Michelle, Joan's daughter for those who don't know. Words will not be able to describe how she will be missed in this world and loved in the next. She has been an exceptional person to learn from as far as what kind of mother I can try to be and a person. She never gave up and always had a positive attitude and a smile. She was well loved by any and everyone!

“ I'm Dwayne her son,I've been their for her for the past few years to help or do anything that she needed, or if she didn't even know I helped but she knew she was safe when I was around her, always seemed my voice was comfortable to her to know she wasn't alone, and safe when I was always around her, I couldn't ask for a better mother, she always showed me love and support and she's been one of the best moments of my life, I will always share the Little moments that we had together that made us happy and got to see her smile, forever loved by your son...

“ While I did not know Joan Kay Strickland, my identical twin sister recently passed away. If Judy Potts needs, there is a support group, the TwinlessTwinsSupportGroupInternational.

The website is www.twinlesstwins.org.

We have a four day international conference every July, held in a different U.S. city. In 2020, the conference was virtual. We are hoping to hold 2021 in mid July in Denver.

In the past I have held a one day regional get together in Columbus in October on the Saturday that Ohio State does not play football. I did not host one last year, but hope to this year. My meeting is free and I provide lunch (Robin and I loved to cook). In order to attend the international conference you must join TTSGI.

Membership is only \$50.00 a year and for that you get access to the Facebook group and four issues a year of the newsletter, the TwinlessTimes (spring, summer and fall are emailed, an electronic edition, the winter issue is printed and mailed to you)

The twinless twins really "get it" about losing a twin.

My condolences.

Susan, Robin's twin (the TTSGI honorific signature)

“ As a child, I always loved to visit my Uncle Larry and Aunt Kay and my cousins. Joanie and Judy always took me under their wing whenever I was there to visit, and we would go to their bedroom and visit. As they got older and started dating, they would allow me to hangout with them as they prepared for their date. I loved watching them put on their make-up. They were so beautiful even without the make-up. They treated me more like a sister than a cousin. In our adult years, we never lost that bond, and visited at Uncle Larry's and Aunt Kay's whenever time would allow, and my cousins would come to their parents house to visit with me, whenever they knew I was there. I will treasure these memories for life.

My heart aches for my cousins Judy and Linda, you both are in my prayers.

I am also praying for Joanie's Children, Michelle and Dwayne, and my second cousins too.

God be with you all, and I pray God gives you all peace and comfort.

All my Love,
Shirley Carroll Barth
