

Kelly Quinn (Morrison) Eskridge

November 11, 1980 - April 22, 2021

Kelly Quinn (Morrison) Eskridge passed away very unexpectedly on April 22, 2021 at the age of 40.

Kelly was born on November 11, 1980, grew up in Worthington, graduated from Thomas Worthington High School in 1999, and graduated from Indiana University in 2003 with a degree in Business. She was an active member in Kappa Alpha Theta Sorority. Currently she was employed by Nationwide in the Marketing Department as a creative writer. Kelly was a valued member of the Creative team and touched the lives of so many with her kindness.

Kelly is survived by her loving parents; Shelley (Lon) Smith, Tom (Denise) Morrison; her two cherished and beloved little boys, Conor (3) and Nolan (7); her ex-husband Aaron Eskridge; Aunts and Uncles; Howard and Chris Rehkla, Malcolm and Connie Goodman, Rev. Barrie and Judy Smith, and Fred Morrison; step-sister Michelle (Jim) Chenery, best friends Elizabeth (Zach) Ross and Brandi (Stephen) Richardson, plus many many friends, co-workers, and relatives.

Kelly had a special gift for motherhood. Her little boys were the most important part of her life. Every day they brought overwhelming joy and happiness to her life. She was loving, kind, selfless, and loyal. She loved doing things for other people, and found much joy in bringing others joy. She took every opportunity to show the people in her life how much they meant to her.

Her sudden death has created a huge void for everyone who knew and loved her. She left us way too soon and will be deeply missed by her family and all who knew her. Kelly was an organ donor and we hope her gifts can bring others a better life. We pray that the Lord comfort us all and has received her into Heaven with open arms.

“ Kelly always wore a warm smile and had such a loving and caring heart. Our family has been blessed to be able to spend time with her and her family in the Cape over the course of many years, and those memories created will forever be cherished. She was a wonderful mother, a delightful friend, and an all-around genuine person. We will dearly miss her, but she will forever be a part of us. -Vincent Cinotti & Adriana Altomonte

“ Kelly was always one of the kindest most inviting people I have ever met. Spending time up in cape cod with her and her family was always a treat and she never treated anyone but anything other than family. She will be so very missed.

“ This beautiful, caring soul gave me the best few months of my life. In the short amount of time that we spent together, we connected on a level that neither of us had ever experienced. Kelly was my person, she completed me in ways that cannot be described in words.

My heart SHATTERS for her loving boys, her parents, and all of the people whose lives she touched. She was a true listener, cared deeply, and honestly.

I will NEVER forget you Kelly. You opened emotions in me that I had forgotten I could feel. I felt you in my chest, and I will always keep you there.

“ Having had the chance to be around Kelly, we experienced first hand the kindness, caring and genuine nature that will be dearly missed by so many. Most of my time spent with Kelly was in the Cape. Those trips where our stays overlapped allowed us to share so many life events. We got to meet both boys. She was there when my wife, Carly, first came to the Cape as my fiancée. It was always great to hear we would be sharing a Cape trip with her and her family. No matter the time spent between talks or seeing each other, she always expressed a genuine interest. I could always feel that she cared for my entire family, beyond just times we spent together.

Our deepest condolences go out to all of Kelly's family. We are going to miss Kelly dearly, and will always cherish the times we had. The love and care she was able to provide so many is clear reading these. Having made a real impression on my wife and I, we know that those fortunate enough to have had her a constant in their lives were blessed to share their time with her. Our love, thoughts, and prayers are with them all.

With love,

“ Kelly is my sister of 36 years. While we never lived in the same house, we grew up together and shared many memories. Christmas at Grandma Morrison's house, Thanksgiving on the Goodman's ranch, learning how to ride bikes in NJ, laying out by the pool in Bakersfield, Hula dancing after being inspired by the Luau in Hawaii, our weddings, becoming mothers, spending time together with our kids. I am grateful to have these and many more memories with Kelly and I know she will live on through her beautiful boys Nolan and Conor.

Each night when the girls ask me what they are having for a special treat after dinner, I will think of Kelly and her love of sweets. I can imagine Kelly sitting in heaven with a smorgasbord of Buckeye Balls, Key Lime pie and all the other desserts she loves.

Dad, mom, Jimmy, Mackenzie, Carly and I will miss Kelly terribly and love her so much. It gives me great peace to know Kelly is safe in Gods' arms and watching over her babies and guiding them forward.

“ I had the extraordinary honor of growing up with Kelly and calling her a lifelong friend. We had sleepovers, danced in the school talent show, had family cookouts, built snow forts, the list goes on. We always kept in touch, and I had the privilege to see what a wonderful mother she was to her two beautiful boys, and the immense love she had for them. Kelly, I sincerely cherish you all of our memories. You will be in my heart forever.

“ I was lucky enough to go to school with Kelly K-12. These years included countless birthday parties, slumber parties, Girl Scout campouts, high school summer school together, hanging out during our parents dinner group gatherings to name a few. I'll always remember her Limited 2 outfits, her perfect bangs & nails, doing puffy paint pillows and other fun crafts at her house on Evening Street. Mostly, I'll remember her smiling eyes and her kindness to everyone . She will be missed beyond words.

Katie (Sullivan) Thompson - April 27 at 11:35 AM

“ Kelly lived on the same block of Evening St that I was lucky enough to live on too. We were childhood bestfriends starting at probably age 4-5. Barbies, make believe, bike riding, her parents, the cool backyard they had, and a little trouble we created! Gosh the list could be so much longer. She had the best clothes. She was so smart- and her smarts came easy. We loved and fought like sisters. I feel floored knowing she is no longer living. My 1st friend to call me Kels and when I'm called that now I always think of Kelly and our time we had. She was my family. We had the best childhood. Love you bestfriend. Shine like a diamond!

Kelsey - April 27 at 01:38 PM

“ I was lucky enough to call her by best friend in high school. We did everything together from sports, school dances, to family trips, etc. so many memories to even type.. I will cherish those in my heart forever.. taken from us way to soon and the love she shared will truly be missed.

Love you Kelly

“ Growing up, I lived on Oxford Street, one street East of Evening Street. Kelly lived so close to me that I could just barely see her house from my backyard. I would see her all the time, as we both walked to elementary school everyday. She eventually became my first "elementary crush". I remember one snowy day of our 2nd grade school year, she and a friend of hers walked over to my house. Her friend dared me to kiss Kelly on the cheek. More nervous than ever, I did. I think we even told friends we were "dating". LOL
Afterwards, they both just laughed and ran back towards Kelly's house. I'll never forget the fun we had that day, and also how cold it was.
I'm so very sorry to hear of this surprising news. Kelly was a great classmate of mine and I will never forget her.

Sincerely,

“ To our dear friends Tom and Denise,
We are heartbroken for the both of you and Aaron and the boys and the rest of the family. We know how much you both loved Kelly and are so sorry for the tremendous grief you are experiencing. Our first memory of Kelly was our joint family trip to

Maui with your girls and Laura and Jeff, more than 30 years ago. Kelly was a fun child and really sweet to be around. She became a wonderful woman and a very loving Mom. The world lost a beautiful person but we know that Kelly lives on in Nolan and Conor.

God Bless the entire family

“ We are very sad to hear this unexpected news. Kelly and I were best friends on the field hockey field, but also off the field. I will forever cherish all of the many memories of her. I also have many fond memories of spending time with her family. My family was able to meet her sweet Nolan several years ago. My heart aches for her boys. Sending prayers, comfort, and peace to her family.

“ Our heartfelt sympathy goes out to Tom, Denise and all of Kelly's family. I know that Conor and Nolan, along with Michelle's girls, are the apples of your eyes and you will continue to keep Kelly alive in their hearts. Denise, you always showed tremendous love for Kelly and never once did I hear you call her a step daughter; always a daughter.

My heart breaks for all of you especially the boys.

May you feel God's love surrounding you as Kelly is laid to eternal rest.
