

Kimberly Ann Clapper-Stoll

February 12, 1966 - December 24, 2020

Kimberly Ann Clapper-Stoll, age 54, of Lewis Center, passed away at home on December 24, 2020. Kim was born on February 12, 1966 in Wheeling, WV to Floyd “Corky” Wilt (deceased) and Carolyn Ruble (now Medley). Kim is survived by her husband of 15 years, Robert Stoll, her mother Carolyn (Paul) Medley, her daughters Courtney and Brittney, her grandchildren Eden and Nolan, her sisters Kelly, Allison and Cathy, her brother Kenneth and nieces, nephews and extended family.

Kim completed her Certified Dental Assistant program at the Aristotle Institute of Medical & Dental Technology and worked as a Dental Assistant for over 25 years.

Kim was a tremendous mom who had a firm commitment to raising Courtney and Brittney and was generous to them beyond measure in many ways. She was a true friend to anyone who made her acquaintance and enjoyed being with friends in a social setting; usually under the codename Kimbob. She was the best companion a husband could ever hope for and loved being “KK” to her grandchildren.

She loved traveling to the beach, Virginia Beach in particular and enjoyed going to Las Vegas numerous times over the last 15 years.

Everyone will miss her smile and her friendship. Her children will miss the unwavering love and support she gave them.

“ I have so many memories of you! You were a great older sister and I honestly still can't believe you're not here now. As kids, you always babysat Cathy and I and put up with so many of our shenanigans so many times. As teens, I was always trying to sneak into your closet and borrow clothes before school. As adults, you were absolutely always there for family. You even helped me name my son by giving me the perfect name for him! Being your younger sister was pretty great. You always had something funny to say and could make me laugh all the time (sometimes cry, too as older sister do). I'm so appreciative to have a lifetime of memories of you to keep close to my heart forever. RIH Kim. You were so loved, and now, more than words can say, you're so incredibly missed.

“ Dear Kim,

We shared some tears and we shared some beers.
We made some memories through the years.

Pizza and 40's, Scott memories, birthdays, babies, pool parties, Christmas, Thanksgiving, SeaWorld, Syracuse, boating, sandbar, 4th of July, South Bend Seahawks, New Palestine, Indiana Downs, Shipshewana, Essenhaus, Indianapolis, Cincinnati, bonfires, Amish Country, Cattle show, grandbabies.

No matter where we went you would follow.
That has changed now, where you have gone we will follow.

When I close my eyes I see your smiling face.
We will meet again in a beautiful place.

Miss you Kimberly Sue.

Bye, Love you.

“ Working with you was so fun. Looking over at each other and rolling our eyes. I remember bringing our girls to work and them driving John crazy! We shared many laughs outside of the office at Butters, the Alumni and of course at Gina's house. You really knew how to have fun! You will truly be missed.

“ I think about all the times we had when we were growing up, and the times you would babysit Allison and me joking about our last meals and watching scary movies with us.

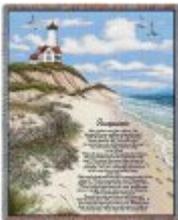

I think about our times hanging out not only as sisters but as friends, as I reminisce I wish these times would not have come to an end. Thinking about these times right now brings tears to my eyes, but I know you will always be with us watching from the skies. Please know that I love you Kim and someday we will be together again.

“ I only knew Kim from Dr. Patock's office but I am deeply saddened to hear of her passing and my sincerest condolences to all of you and especially her daughters. When my phone would ring a few days before my appointment at the dentist and the caller ID said "Dr. Patock" - I always knew it would be Kim on the other end of the phone confirming my appointment. She was a very kind-hearted person and always nice, polite, and personable to me. She will be missed.

“ I have a extremely fond memory of my little sister Kim and I going fishing, for the very first time together, in our neighbors pond. You see, we lived across the street from Mr. and Mrs. Shehann who were very nice people, who had a very nice piece of property that had two beautiful ponds on it that were loaded with large mouth bass. Kim and I, along with our littlest sister at the time, Kelly, decided to get up early one morning, get all of our tackle together, and cross the street to get our fish on in one of the two of Mr. Shehann"s ponds. I remember this specific memory so fondly because I believe that it was the very first time Kim and Kelly actually wanted to go fishing with their big brother, and because Kim, on her fish cast, caught a large mouth bass that was about 17 or 18 inches in length, and her big brother got skunked, as I caught nothing the whole day that we fished. I can still see the look on her face when she finally landed that fish.

I love you Sis.
Your Big Brother Always
Kenneth

“ Of all the many blessings, however great or small, to have you for a sister was the greatest one of all. The family chain is broken now, and nothing seems the same, but as God takes us one by one the chain will link again. Love and miss you Kim, love Kelly
