We are so incredibly sorry for your loss. We only met Kyle once....It was the day we rushed Ruby in with her broken leg. Kyle was there with Dick working beside him. He was so kind to our girl and left a huge impression. A testament to the kind of young man that he was. What a huge loss for all. Prayers for your family and all that loved him.

“ Oh, Richard, I am so saddened by Kyle's passing. While I only met Kyle when he was about 5 years old, Nancy has kept me up to date through the years. I know he was a wonderful young man and son. There are no words that will make any of this better, but please know that you are in my heart and prayers. I know that Patty met him at heaven's gate and wrapped her loving arms around him. Sending you much love.

From meeting him Freshman year in Calc 2 at Denison (he was always singing), to all the classes in Ebaugh, to doing senior research together (where we learned of his new shaving obsession) and even being apartment neighbors. I know that I and so many others will miss him.

“ Kyle and I joined the Denison Hilltoppers the same year, and we were instantly united by the mere fact we were both named Kyle. When we got our nicknames, Kyle was The One Who Hears and I was The One Who Sees. His loss is both tragic and profound, as Kyle was one of the kindest, warmest, most genuine people I have ever met. My strongest memories of Kyle are of him smiling and supporting those around him. He is in my thoughts, and I send my regards to his whole family and all those who new and loved him.

“ Kyle was truly an amazing, confident, accomplished in many areas young man! I remember when he was born because Patty was a slightly older mom then but so very excited to have her son! We didn't "watch" him grow up as much as heard about all his milestones through Patty whenever we traveled together. She was so proud of Kyle and Kelsy. Not sure why his time had to come so soon but I DO know Patty met him at Heaven's gate with open arms and a big Mom Hug.

“ Kyle and I went to vet school together at Ohio State. He was such a kind and friendly person. He went to Dennison with my cousin, who told me before I started vet school about how nice Kyle was. I met him at one of her Dennison soccer games and ever since then he always offered a friendly wave and greeting anytime we passed in the

hallway or going to class. Even though we were acquaintances, Kyle friendly gestures and spirit will always be remembered.

“ Sending prayers to everyone who is affected by his passing. I was in Ladies Night Out when Kyle was in the Hilltoppers and he always smiled and talked to me no matter when he saw me across campus. I added this photo from his senior concert because he was such a light and I was sad to see him leave campus. Kyle you will truly be missed.
