“ Uncle Leigh, so many memories starting with playing wiffle ball in our backyard, Moving his father to Buckeye Lake and I riding in the moving trailer and spitting out the side and the spit hitting my grandfather in the side of the face, One time going fishing on a charter fishing boat with him and my grandfather and I caught the most fish. After Leigh and his family moved out of Grove City proper and me helping weeding the garden but I "weeded" a tomato plant. and the best and most permanent memory an vacation to Cedar Point and the gas he got was bad and he had to pull into another gas station where they had to drain the gas out, but the car caught on fire. Cousin Cindy jumping around like a frighten kangaroo.
