

Martha D. Reinhart

March 15, 1929 - June 8, 2019

Martha Dodd Reinhart (aka Mommy/Mother/Grandma/Memaw/Mimi), formerly of Upper Arlington, passed away June 8, 2019. She was preceded in death by her daughter Marti Johnson (Steve), her brothers Lawrence, Paul and Albert Dodd, former husband Dr. Robert L. Reinhart and former daughter-in-law Chris Reinhart. She is survived by her sons Harry (DeeAnn Bonelli), Bill (Cynthia) of Albuquerque, daughters Mary Cloern (Alan) and Kathleen Dodd (Stephen), grandchildren Joe (Kristy) and Zach Johnson, Kathleen Patrick, Ashley Cloern, Alex, Kate and Bobby Reinhart, Emily Dodd and 3 great grandchildren, Clara and Charlotte Johnson and Skylar Patrick. She is also survived by sister-in-law Ingrid Dodd. Martha leaves behind her faithful cat, Phoebe as well as her friends at Brookdale Assisted Living Facility in Dublin, where she lived for the last 2 years.

Martha was born in Columbus, Ohio on March 15, 1929 to Albert and Mary Sheets Dodd. She graduated from The Ohio State University with her degree in education. She and Bob started their family while he was stationed as a Naval flight surgeon on Coronado Island in San Diego and Pensacola, Florida. Martha drove Harry and Billy from California to Florida in the family station wagon (no car seats back then) for Bob's next assignment in the Navy. Martha and Bob raised their 5 children on Essex Rd. in Upper Arlington. The Reinhart house was the center of activity as many large families were raised in that area, and in those days kids roamed the neighborhood freely and often ended up at the Reinhart house, day and night. No major accidents were ever recorded, but a few stitches were required as result of the family dog, Major, and pet monkey, Charlie. Martha taught elementary school for many years in Columbus Public Schools at Glenmont, Walden and Avalon elementary schools and retired after 33 years of teaching. Her former students sent her cards for many years after retirement. After retirement, Martha spent time with her grandchildren, and traveled the world on vacations, track meets, soccer tournaments, horse shows, and softball tournaments to watch them compete. She traveled and camped to Yosemite National Park, Mesa Verde, Disney World, and took several trips to Europe with her grandchildren, exploring the sites in Italy, Spain, Southern France and Monaco. She walked the volcano Mt. Etna post eruption in 2003. She loved the summer beach trips with her daughters to the Carolinas! Martha also spent many months in Albuquerque

helping Bill and Cynthia with their children, and was the driver of a certain Volvo station wagon to many activities around town. Martha was proud to have jazzercised for over twenty years, as it allowed her to keep up with all of her grandchildren and their travels. Martha was a fun-loving, involved mother and grandmother, who will be in our hearts forever.

“ To Mary Cloern and Martha's entire family, I met Martha at Jazzercise and enjoyed the times we visited and sweat together. She was always looking forward to the next adventure. Your memories of her will last forever in your hearts. I will remember her as Mary's Mom. My sincere sympathy, Sue Thimmes

“ Martha and her husband Robert were very good friends of my parents many years ago. They both offered solace and support to my whole family when my father died. Also, Bob, was my own doctor for a zillion years until he delivered our own daughter, Erin, in 1971. I have more memories of that kind and fun family than I could ever recount here. But I will recount how kind Billy was to travel from Albuquerque to help send my beloved brother, Tim Gilmore, off to his afterlife. What a wonderful family. Best wishes that the thousands of wonderful memories ease the pain of saying goodbye to Martha. Love and good wishes to you all. Donna Gilmore Donovan and Dan.
