“ Jenifer, I just called H&R Block to make an appointment with your mom and they told me the awful news. I am so very sorry for you. I know how close you were to her. I remember all the years your mom and I watched you and Becky take your riding lessons. Prayers for you and your family. Karen Kiefel

“ Tom, Kristy, Jenifer and TJ, I speak for the Summers family when I say we are so, so sorry to hear of Melodee's death. What sad news. Our families go way back to when Tom and I both worked at the Ad Agency for my dad, Bruce, and where my mother also worked. I remember Tom and Melodee's wedding, and the births of you children. Even though I eventually moved to North Carolina, Tom and I have stayed in touch over the years. I know he is heartbroken, as are all of you. I send prayers and wish you peace and healing as you deal with this difficult loss.

“ I worked with Melodee in the Northridge office the last three tax seasons. She was my go to person when I had questions or needed assistance as she was always up to date on tax law changes. I'll miss her dry wit and conversations. The office will not be the same without her. We'll miss you Melodee!
