“ Ruth Kirk lit a candle in memory of Oletta Clark

“ To the family of Oletta, It was with sadness that I learned the passing of your Mom and Grandmother. I will also have the memory of traveling to California with your mom and cousin Ella for 2 weeks. That is a trip I will never forget and sharing it with your Mom was a good time. You have my deepest Sympathy for your lost. May God bless you all.

“ Thank you so much for sharing. I remember her talking about the great time she had on that trip. And she had pictures to prove it! Thanks for being a part of her life.

“ Oletta was one of the strongest women I have ever met. She accepted me into the family and was always there for me and everyone. A great inspiration to her family, friends and most of all her grandchildren and great grandchildren. She once told me, "I truly respect you for the kind of father and man you are." Coming from Oletta, that meant the world to me. She was someone to look up to, follow her lead, trust her words, and love unconditionally. She will be sorely missed, but her legacy will always live on through everyone she touched. We all owe it to her to try to be a little bit better, to try to do the right things in our life, and to trust in God.

Love,  
Mark
