“ Remembering many visits to see Aunt Phyllis and always glad to see you with a smile on her face. I know she loved flowers and peanut butter cookies and my cutout iced cookies. She loved her light up little Christmas houses she used to put out that we both have in common because I love them too. One of my fondest memories is the trip Jack and I took with her and Uncle Don to Las Vegas, she loved her slot machines and was far luckier than I at it. We also took a trip to Disney World , Aunt Phyllis Uncle Don , Aunt Ginny & Uncle Dana ,Jack & I. It was truly a magical time it was January after Christmas all the decorations and lights were still up. She loved every minute of it sometimes walking and sometimes reluctantly in a wheelchair that Uncle Don was happy to push her around in. As I worked for Ohio Health Family Practice in Grove City for 7 years right across the street from The Cracker Barrel where Aunt Phyllis & Uncle Don ,Aunt Ginny & Uncle Dana and Aunt Margaret would be every Friday. I looked forward to seeing her every week she enjoyed the fried fish and her iced tea.
