

Ruth E Cormany

August 10, 1929 - May 13, 2020

Ruth Elizabeth Cormany (childhood name Betty Binkley) was always the person in the room who was having the most fun. To know her was to love her... To know her was to also love her warm wholehearted laugh and bright smile and to be in awe of her energy and spunk. She was born on the 10th day of August 1929 in Irvington, NJ to parents Howard and Luella Binkley. She passed away peacefully, sleeping at home in her bed, on the 13th day of May 2020. Betty grew up as a middle child with 3 sisters and 3 brothers. She was lovingly considered the 'black sheep' due to her mischievous grin and twinkling eyes, which were granted to her at birth. She was always teasing and playing with her siblings. She told stories of sneaking out of the second story bedroom window, of her childhood home, with pride... If she were feeling extra mischievous and playful she would lock her siblings out on the roof outside that same bedroom window. As she grew into a young adult not much changed as she was always asked to "behave" before she arrived to a family function... Where she would likely be thrown into the pool upon arrival. She fully believed that 'if you were going to dish it, you better be able to take it'... Betty certainly 'dished it' so she could also take a joke or prank with the best of them. She took pride in her strength and encouraged strength in others. She had a larger than life personality... She never shied away from being the center of attention- she was playful, goofy, witty, funny, intelligent, boy was she bossy, she was good with numbers, she was wise, feisty, sassy, outgoing, a great cook, she had a 'green thumb' and was also inspiringly generous and always helpful. She was tough but fair and fiercely protective while being kind, caring and full of love as well. She was a morning person who loved the sun and also loved to eat sweets. Betty Cormany was a very hard worker; she was always organized and was a 'do it yourselfer'... She loved to travel the world and made treasured and special friends all along the way. She would most certainly want everyone to know that she was the family's ping-pong champion and that her grown adult grandchildren never did beat her. She was the proud mother of 4 children- her twins Chris and Chrissie and her 2 youngest boys Vern and Carl. She was also a devoted stepmother of 3- Mary Lee, Ed and Ryan. She was a loving mother-in-law with 16 grandchildren, 28 great-grandchildren and a large extended family full of aunts, uncles, cousins, nieces and nephews. She loved her family deeply. Betty will now lie at rest next to her devoted and

beloved husband Harold in Columbus, Ohio at the Sunset Cemetery. The service will be held at the Sunset Cemetery on Wednesday May 27, 2020 at 11am. As you grieve please let the bittersweet tears dry on your cheeks quickly. She'd want you to remember the good times; then smile and laugh, tease the ones you love and most importantly love yourself, enjoy your life and HAVE FUN!!

“ My prayers are with you and your family. I knew Mr. and Mrs. Harold Cormany from Sears at Eastland Shopping Center, the Accounting Department. Ruth was so bubbly and a lot of fun to be around. Mr. Cormany, was a sweetheart. So kind and thoughtful. Great memories. I always wondered what happened to Mr. and Mrs. Cormany.

Blessings,

“ Our deepest sympathies to you Chrissie, Heather and all the family! Betty was so loved by her Canadian friends from Ontario. Especially Bob Taylor who just passed April, 17th!
We'll never forget the times we stayed with Betty and the royal treatment she'd give us..Beautiful starched linens and tables set fit for kings and queens. And the food always done to perfection! She was incredible! Yes, and talk about the parties... why on the cruise ships nobody could get a conga line going like Betty could, they couldn't refuse to get up or she'd pull them up. They'd all have so much fun, and next day everyone on board would be looking for "Betty". She left that lasting impression that life was meant to be enjoyed and she knew how to do it! Rest in beautiful sleep our dear Betty!
