

Sabrina Jean Huffman

May 23, 1968 - August 24, 2020

On August 24, 2020 Sabrina Puckett Huffman passed away peacefully after battling cancer, she was 52 years old.

Sabrina is survived by her loving husband Rich Huffman; her son Zane; her mother Jean Puckett; sisters, Stephanie (Kent) Hess and Sheri (Bill) Risner; and nieces and nephews, Morgan Hess, Brady Hess, Mitchell Risner and Kendall Risner. Sabrina is preceded in death by her father, Ken Puckett.

Sabrina graduated from Middletown High School in 1986. She then went on to attend Ohio University where she received a Bachelor of Science degree in Communication Sciences. She found her true calling though when she began working as a nurse after receiving her Bachelor of Science degree in Nursing from Wright State.

When she was diagnosed with cancer in 2018 she remained dedicated to her role as mother, wife, daughter, sister, friend and to her work as a nurse while battling to fight this disease. She remained brave, fiercely strong and maintained her sense of humor even through her final days. When anyone else would have broken, Sabrina remained determined. Through her we know what resilience and perseverance truly look like. "Fate whispered to the warrior, you cannot withstand the storm and the warrior whispered back, I am the storm." (Author Unknown)

Sabrina's life was far too short but those who were touched by her understood that the quality of her existence far exceeded the quantity of time in which she lived. She will be missed by so many, as she blessed all those that she knew.

The family welcomes contributions to Zane's college saving 529 plan as an expression of sympathy instead of flowers. Please go to Ugift529.com and use the code V6K-H8G if you wish to make a donation.

“ Sabo was the friend I could count on to talk about the good, bad and ugly. She never judged always provided guidance or a good laugh. I will miss her tremendously but am at peace knowing she's pain free. I will NEVER have a friend like her. I admired her strength and determination to fight this ugly disease. Our 24 hours alone when she was in hospice will be very cherished. Sabo, thank you for the friendship, love and laughs. May you RIP and be the most beautiful Angel. Till we meet again my dear friend, I love you

“ My family and I met Sabrina and her family when we were all enjoying a Florida vacation, when she and my children were teens!
We became family, continued to meet there and elsewhere over the years for many years.....
weddings, baby showers, birthdays and just because!
Sabrina was very special and she could make me laugh like no one else!
My husband and I were old enough to be her parents, when he died in 2019, Sabrina drove by herself from Ohio to be with us in Illinois for his Memorial Service!
I was so proud of her and the way she lived with this disease!
RIP, little one, say 'hey' to your Daddy and to Butch.....
we will see you again!

“ A beautiful blossom has fallen off the tree of life. she will be missed but always remembered. I remember the joy Sabrina expressed when she discovered how much she loved working with older adults at Mt. Pleasant. I suggested that she would make a wonderful nurse. It turns out she was an extraordinary nurse!

It is said that our grief is but a measure of the joys we have known. Surely we feel the loss at this time but we can truly always be wrapped in the remembered joys of such a beautiful woman.

John and I send our deepest condolences to Rich and Zane.

“ My deepest sympathies to Rich, Zane and the rest of the family.

Sabrina and I worked together at HomeReach where she was known as the dumpster diving nurse after she climbed into a dumpster to retrieve a piece of equipment that was not disposable. We loved talking OSU football and had a great time attending the Fiesta Bowl in 2007 together despite the terrible outcome of the game.

I know she will be missed by the many friends she has made thru the years with her caring smile and infectious laugh.
