

Susan B. Dennett

April 16, 1951 - March 11, 2021

Susan Barry Dennett, age 69 of Dublin passed away Thursday March 11th with her children by her side. She was born to the late John and Gwen Barry on April 16th, 1951 in Oakland, California.

A loving wife, mother, and sister who cared deeply for her family, friends, and neighbors Susan truly was one of a kind. She always had a knack for helping others, be it from her time spent working at UC Davis Medical Center, Grizzell Middle School Nurses Aid, to volunteering at the Dublin Irish Festival, she always found a way to help those around her. No matter the problem, she was going to help you find a solution to it. Be it personal advice, articles or her infamous care packages, she was going to find a way to help.

Susan also had a sense of adventure that took her far beyond her home state of California. From Colorado where she met her husband, Wyoming, Alaska, Montana, to the coconut crabs on Guam. She could always find beauty in her surroundings aiding her joy of art and interior design, which in true Barry fashion, she had tremendous talent for.

Susan was devout in her faith as a Seventh Day Adventist, but raised in the Baptist church she also enjoyed attending worship at the Dublin Baptist Church.

Susan is survived by her children Megan Armbruster and her husband Tyler, Michael Erickson Dennett and his wife Kathryn; her grandchildren Owen and Aubrey; sisters Deborah Barry, Barbara Barry, Sally Gilchrist; mother-in-law Marilyn Dennett and her children Tom and Carrie; and many cousins; nieces; and nephews.

She was preceded in death by her loving husband Kenneth Dennett; her parents Jack and Gwendolyn Barry; and her in-laws Barbara Shaw and George Dennett.

Burial will be held in private on March 17th at Jerome cemetery. A memorial service is planned for April 16th. The family will notify loved ones once arrangements have been made. SCHOEDINGER DUBLIN has been entrusted to assist the family.

“ Dear Susan,

I believe that you are now in Heaven with your beloved Ken. For that I am so glad, for I know you missed Ken terribly.

That being said...I'm sending up these words to you because I am missing your smiling face and big spirit and I am sad that we will never share another moment together here on earth.

Thank you for your hospitality and the many long conversations we had in your lovely "Ralph Lauren" styled living room (along with a few beloved Barbara Barry pieces). We had so much in common... growing up with 3 sisters, our mutual artistic/design interests and talent and our love for living at G F.

Thank you for sharing your amazing life story and adventures with me. I enjoyed those conversations a lot.

Thank you for wanting to share all the knowledge that you gained from hours of research, reading and U- Tube videos. You were an amazing storyteller who could make almost any subject colorful and interesting.

I will always be grateful to God for your friendship and the good times, sad times and the challenging times we shared. I will miss you.

Til we meet again, enjoy your well deserved rest on your cloud.

Sincerely, your friend,
Pam

“ Dear Susan, I can't believe you've left the earth. I miss you so much. I'm thankful you are not suffering anymore. Every day when I'm outside with little Bob I look over at your place and wish I could see you and Mocha. I will think of you every day and the warm times we spent last spring and summer. You were a dear friend and neighbor.
